

BALLOT FRAUDS CAUSE GREENBERG TO QUIT ASSEMBLY

(Continued from First Page.)

resignation as a member of the Assembly from the Tenth Assembly District of the County of New York. I am impelled to make this announcement by reason of the fact that from a recount of the ballots of the Twelfth Election District it appears that errors were made in computing the votes for member of the Assembly sufficient to overcome the plurality which I believed myself to have received.

"Under these circumstances my sense of justice and self respect have determined my action in refusing to continue to occupy a seat where my right is not beyond question.

"The information came to me as a great shock and I feel myself the worst sufferer in having unwittingly occupied a seat where, as the returns at present show, I have not been entitled to represent my constituency.

"I wish to express my warm and sincere appreciation of my colleagues to myself and to the members of the House for the many courtesies I received at your and their hands. I felt it a great personal honor to be associated with yourself and them in the performance of the responsible duties of a legislator for our great State, and this feeling has spurred me to the immediate and decisive action I have taken."

LIPCHITZ, THE REPUBLICAN LEADER, TURNS INFORMER.

In order that he might aid in exposing the instigators of the election frauds which resulted in the supposed election of Greenberg over his Bull Moose opponent, Maxim Brinkman, Louis Lipschitz of No. 1555 Minford place, Bronx, was taken to-day before the Grand Jury by Assistant District Attorney De Ford. Lipschitz's appearance before the Grand Jury followed his arraignment before Judge Goff in the Supreme Court for sentence. He was remanded in order that he might testify before the Grand Jury.

Lipschitz, arraigned for sentence at the same time as Lipschitz, and who was the Tammany leader in Greenberg's district, the Twelfth Election of the Tenth Assembly, was sentenced to not less than two or more than three years and six months in State's prison. Nadel, who is twenty-five years old, and lives at No. 98 East One Hundred and Sixty-seventh Street, Bronx, was

found guilty of making a false statement of a canvass of votes.

The evidence and ballots counted by the Grand Jury showed that Nadel and his associates had changed Greenberg's vote from 100 to 170 and lowered Brinkman's from 141 to 138. Lipschitz, the Republican leader in the district, consented to agree to this fraudulent counting. Goff said that only the prisoner's youth and his previous good record prevented him from imposing the limit-seven years upon Nadel.

SNOWBALLS THROWN BY BOYS CAUSE MAN'S DEATH.

William France, Seventy-seven, Hit Twice While Walking, Dies Without Regaining Senses.

NEWBURGH, N. Y., Feb. 20.—As the result of the injuries sustained on Saturday, when he was snowballed by boys, William France, seventy-seven, died here to-day.

Mr. France was passing along a street when a crowd of boys were throwing snowballs. Two of the missiles struck him, one in the forehead and the other on the chin.

He fell to the ground unconscious and never regained consciousness. Physicians said the blows on the head and forehead caused a blood vessel in the brain, paralyzing a portion of the left side resulting. The names of the boys who threw the snowballs have not been obtained.
